

Canadian Wind Energy Association  
Association Canadienne de l'Énergie Éolienne

**Wind Energy – Powering Canada's future ...naturally!**

Experience the Past, the Present and the Future of the Canadian wind industry by attending the 23rd Annual Conference and Trade Show.

September 30 – October 3, 2007  
Québec City Convention Centre  
900, boul. René-Lévesque Est. Québec City, (Québec), Canada

### **HIGHLIGHTS:**

- a) EXHIBITS - 75,000 sq. ft. of exhibit space featuring 170+ exhibitors.
- Conference and Trade Show Opening Reception Sunday, September 30, 2007 at 7pm, Main Floor, Rooms 400A/B/C, Québec City Convention Centre. Dedicated Exhibit Time: Breakfast, Coffee Breaks and Lunch (Mon/Tues/Wed (no lunch Wednesday))
- b) PROGRAM - The 23rd Annual Conference Program begins Monday, October 1, 2007
- Daily Plenary Sessions begin at 8:30 AM, (Mon/Tues/Wed) in Room 200C, Québec City Convention Centre
- Three Session Streams: POLICY – BUSINESS DEVELOPMENT – TECHNICAL, after AM Coffee Break (Mon/Tues/Wed)

**Policy:** These sessions will focus on policy development affecting the wind industry in Canada. Sessions will examine federal, provincial and municipal developments as well as First nations.

**Business Development:** These sessions will focus on issues that affect the business of wind at all stages of project development, from community engagement through to performance measurement.

**Technical:** These sessions will cover the following: cold climate issues including wind turbine icing and low temperature operation; wind resource assessment methodologies; the role of forecasting in facilitating wind integration; wind interconnection; opportunities and challenges with wind and hydro integration, overview of technical, operational and market aspects related to the integration of large scale wind power in conventional (non hydro) energy grids; focus on the growing demand for skilled workers including educational and training opportunities and challenges in Canada.

- c) 23rd Annual Conference Awards and Banquet - Tuesday, October 2, 2007, Québec City Convention Centre Room 200C

CanWEA is pleased to welcome STEVE SAWYER, Secretary General, Global Wind Energy Council, as the Key Note Speaker. For further information on Mr. Sawyer please visit <http://www.gwec.net>

Tickets to this event may be purchased on the CanWEA registration form. Space is limited therefore Conference attendees will be given first priority for the purchase of tickets. COST: CanWEA MEMBER \$60, NON-MEMBER \$75, before August 15, 2007.

CanWEA MEMBER \$65, NON-MEMBER \$80, after midnight August 15, 2007.
