**Organization accepts nomination: YES      NO**

*(Organization must be notified by nominator and accept nomination prior to submission to CanWEA)*

**Award candidate's mailing address / phone / email:**

**Nominator's name and organization (self-nominations are permitted):**

**Nominator's mailing address / phone / email:**

**Nominator's relationship to the candidate:**

**Which award would you like to nominate the organization for?**

- a) **O&M Outstanding Achievement Award.** This award recognizes an organization that has demonstrated innovation through an initiative that exemplifies an industry leading approach to wind power facility operations and maintenance. This CanWEA award is intended to honour organizations that have improved, or contributed significantly to the improvement of, the efficiency, profitability and reliability of wind farm operations in Canada.
- b) **Health and Safety Excellence Award.** This award is presented to an organization whose progressive approach to a health and safety program, action or practice has directly improved the safety and well-being of wind power plant employees, contractors or the public and set an example for the wind energy industry in Canada.

**Please provide a description of the organization and their current role in, and relationship with the industry, as well as any past roles or experience you would like to highlight:**

**Please describe in at least 500 words the specific activities / initiatives / accomplishments the organization has been associated with that make it a strong candidate for the award:**

**Please describe in at least 500 words the specific qualities / characteristics / competencies of the organization that have allowed it to successfully implement the activities / initiatives / accomplishments listed above:**

**Please submit this nomination form to Phil McKay at [philmckay@canwea.ca](mailto:philmckay@canwea.ca) by October 31, 2017.**
